Ceremonies & Receptions

Lodging is available for off site weddings & receptions

Have your ceremony on our **rustic sandy beach**. Though publicly accessible and not private, this site offers breath taking views of the mountains with incredible sunsets and sand at your feet. Rental of the venue comes with set up/ break down of chairs only. Officiant, music and decorations will be the group's responsibility.

Max 125ppl.

If you're looking for a picturesque wooded area with a lake view, our **Studebaker ceremony site** is ideal. Not only is the Studebaker cabin a perfect place for the bridal party to get ready in, but you can walk directly out of the front door and down the isle. Site is only available with rental of the cabin and lodging minimums are required. Rental comes with set up/break down of chairs only. Max is 125ppl.

For a warm, intimate setting have your ceremony or reception in front of our historic stone fireplace. Our **Hotel Great Room** features old Tahoe ambience, with hardwood floors, knotty pine walls, log beams and a fireplace. Please note the Great Room is open to other guests and is not available for events during the summer months. You must rent the entire hotel for access to the room. There are 2 floors and 27 rooms in the Historic

Hotel. We do offer 1 handicap room on the first floor. Room limit for ceremonies or receptions is 80 people. Rental of the room also comes with tables, chairs and our hotel patio, perfect for outdoor food and bar or rent a covered fire pit to gather around at nightfall.

Ceremonies & Receptions

We also offer our **Marina Boathouse** for weddings and receptions. The Boathouse has a dark cork floor, glass doors facing down the marina pier, and comes with tables, chairs, and strands of bulb lighting that create the perfect setting for a reception. Guests are welcome to decorate the room, however nothing can be hung from the rafters or secured to the walls or curtain rods.

The space can be casual or elegant. It all depends on what decorations you prefer.

Please note nothing can be hung from the rafters or secured to the walls.

The **Boat House** is perfect for groups up to 100. Catering is available for all events. The room must be evacuated by 10pm, so last song plays at 9:30pm. We do allow DJ's and/or bands with 4 or less members. Noise must be kept at a respectable level. If we are unable to provide catering, we will consider an outside caterer from our approved vendor list. All caterers must have the proper off-site catering permits. We require full service caterers who do all the set up, work the event, and clean up afterwards. If you have a bar there must be a Camp Richardson staffed bartender to serve the alcohol. There are no kitchen or refrigeration services available. If you require either of these, rental of the Duplex, next door to the venue, is a common solution. Please ask the sales manager for details.

NO outside alcohol is allowed. We must provide a bar and bartender.

Receptions, Venues & Lodging

Have a casual BBQ reception at our **Lakeside Beach Picnic Area**. The venue comes with 12 picnic tables in a circular pattern in the trees, a single BBQ grill and optional volleyball area. Site comes as is and must be vacated by 9pm. The site is perfect for groups of 25 -100 people. There is no parking at the site. All guests must park in designated Day Use lots (the Grove, Marina or Day Use Parking) and walk over to site. Parking fees apply.

Have a rehearsal BBQ at our **Bonfire Pit** behind the hotel. It comes with a large round, in-ground, stone fire pit, large logs surrounding the pit and picnic tables for additional seating. The venue must be vacated by 10pm and can accommodate up to 100 people. There is no electricity at this site. You can grill your own food, smores, etc. or we would be happy to cater! The fire must be kept at a reasonable size and proper extinguishing procedures must be followed. Be sure the fire is out completely and all food is cleaned up and removed from the area. This is not just for your safety but your guests safety as well.
